

JOB DESCRIPTION

RESEARCH CHAIRPERSON

Job reports to: President/Board of Directors

Date Written: 08/1999

Date Revised: 07/2010

Date Reviewed: 05/2011

Primary Purpose of the Job:

To keep abreast of all research that pertains to peri-anesthesia nursing and to help those who need assistance in developing research projects that advance the profession of peri-anesthesia nursing.

Prerequisites:

1. Active ASPAN/WISPAN membership.
2. Knowledgeable in the research process.

Specific Job duties and Responsibilities:

1. Serve a minimum of two years.
2. Review current research articles that pertain to peri-anesthesia nursing.
3. Relate that information to the membership via articles in the Awakening.
4. Aid and assist any person/group in developing a research project.
5. Aid and assist any person/group in writing a research paper for publication.
6. Aid and assist any person/group in applying to ASPAN to display a poster board review at National Conference.
7. Perform other duties applicable to the job as prescribed by the parliamentary authority of WISPAN.
